HIGHLIGHTS

As one of the biggest energy and electricity industry shows in CIS, Turkmen Energetika 2018 reached 98 exhibitors from 11 countries including 33 local exhibitors.

Exhibition attracted 3450 trade visitors from different regions of Turkmenistan in three days.

Turkish and Russian national pavilions were the largest ones in the exhibition and several European energy brands had attractive stands in the show.

Opening ceremony was attended by Ambassadors, Cabinet Ministers, Ministers, President of Chamber of Commerce, Directors of State Energy Companies and Directors of largest contractor companies in Turkmenistan.

The conference concurrently held with the exhibition was followed by average 450 attendees.

Turkmen Energetika 2018 covered 12500 sq. exhibition space.
